RE: Debate on Bond Issues

Dear Chairman Drake,

As you well know we are both actively involved with the issues concerning what is best for the children, parents, taxpayers and teachers in the Hubbard Radcliffe school district.

We both find ourselves leading campaigns attempting to persuade voters to follow our vision of what is best concerning necessary facilities needed at Hubbard Radcliffe prior to the upcoming July 18 school bond election. At the suggestion of a proponent of the bond issue, the HR CARE committee has formulated a proposal. Why not let all stakeholders of Hubbard Radcliffe school district hear both visions at the same time to better facilitate their own understanding and to help make for more informed voters?

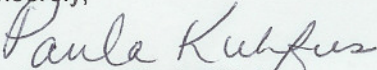

To encourage the educational process and to make clear the similarities and differences in our committee's two visions, we are requesting the HR Coalition committee agree to a debate on the subject of the Bond. We propose to hold the debate Sunday night, July 16 at a time and location to be agreed upon.

Format: Both parties are to submit four questions to their opposing side by Wednesday July 12th, to allow preparation time. Each side would designate one party to represent their committee's position. Each representative would be allowed to ask their four questions one at a time of the opposing representative alternatively. The opposing representative would be allowed 5 minutes to respond, the questioner would be given 3 minutes to rebut and the opposing representative would be given 1 last minute for final rebuttal.

We would jointly run an ad in two papers inviting the public and agree upon a referee to basically keep the time clock. Eight questions taking nine minutes (5 plus 3 plus 1) each should run a little under eighty minutes.

Is the HR Coalition committee willing to accept our challenge to this debate? Please let me know by Thursday morning, July 6, if at all possible. Call me at either phone number listed below and then we can follow-up by eMail from there.

Sincerely,

Chairwoman Paula Kuhfus
