Dear President Leigh and Treasurer Dohma;

At a recent Ponca Community School District board meeting it was mentioned that the Ponca Community Educational Foundation has received over \$100,000 in commitment/checks to purchase land for the proposed new school building and that these commitments expire March 15, 2006.

As these commitments are being used to persuade voters to support, we need to ask if you can confirm this to be true.

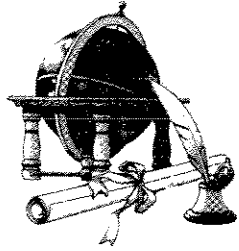

If so, would you please provide the ABCs Committee with a list of each donor's name and address and the dollar amount which they committed to this land purchase? Further, would you provide us with a blank copy of the pledge form that these donors signed?

We appreciate your assistance in this request. If you have all of this in digital form and do have eMail, please eMail me the requested information to the eMail address below. Otherwise, postal will work as well. Time is of the essence, therefore a response by January 30, 2006, would be appreciated.

Sincerely,
